This screen is belong to first tab (Control tab at the bottom of screen)

1) License Plate No: Plate Number of Vehicle

2) Battery SOC: Remaining Battery Percentage

3) Time: Parked, Driving, Charging, etc

4) Vehicle Image: Image of Car Model

5) Control Buttons:

    Replaced it below screenshot

6) Interior: Displaying inner temperature of vehicle.
7) Exterior: Displaying outer temperature of vehicle

8) There are 4 tabs at bottom of screen.
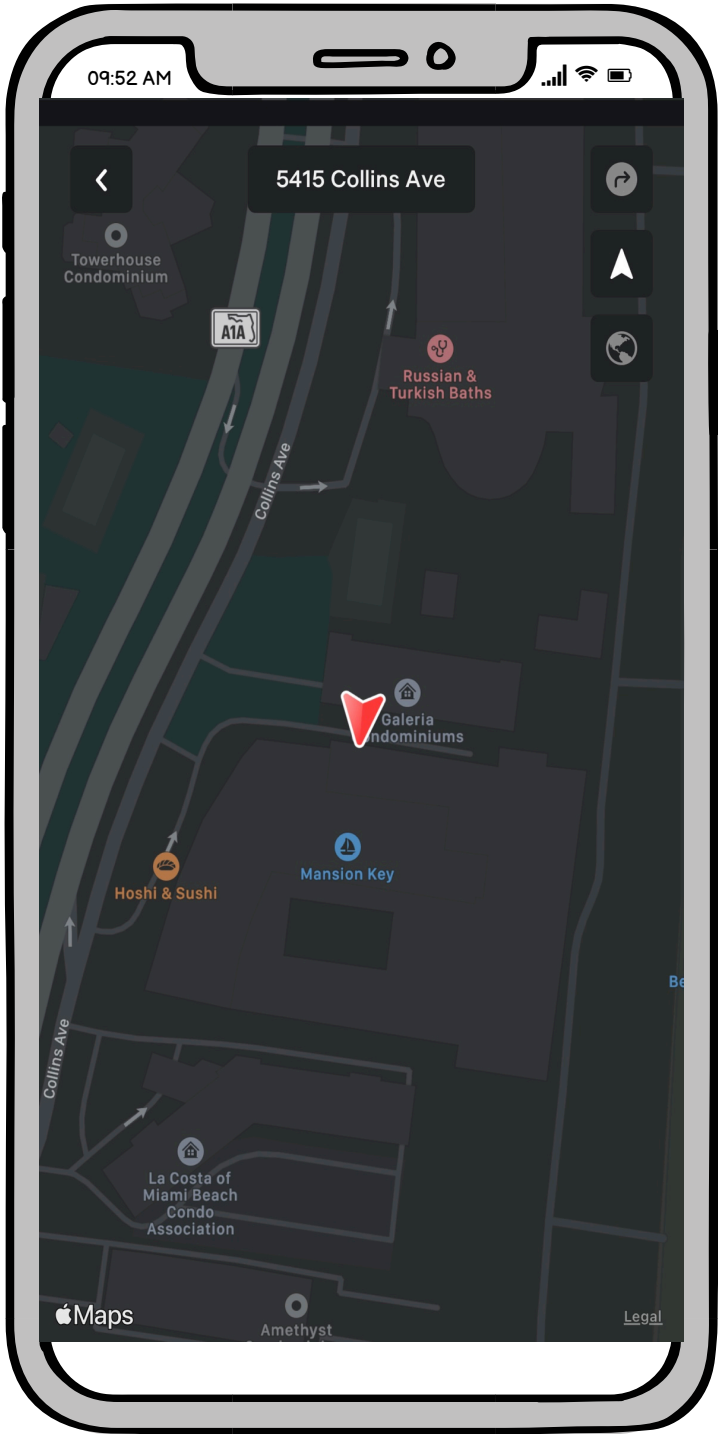

Interior 105°F · Exterior 83°F

69°
On   Vent
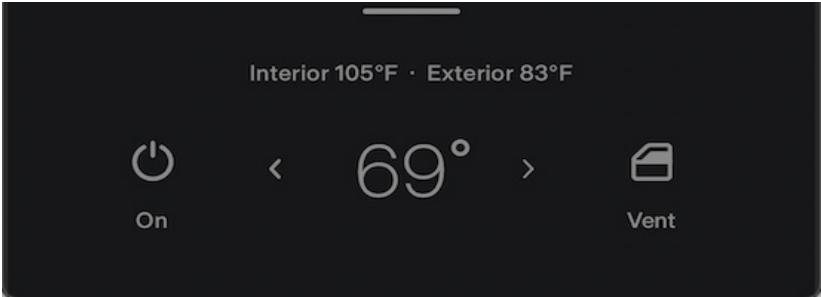

This is the screen of dialog when user tapped climate.

I think, Slider is better for setting target temperature, and remove the vent from this dialog.
